About ACCJC and the Conference

The Accrediting Commission for Community and Junior Colleges (ACCJC) is a federally recognized institutional accrediting commission unique in its concentration on public and private two-year degree granting institutions, its geographic range, and its membership. Its current 138 public, non-profit, and for-profit member institutions span California, Hawai'i, Arizona, New York, and the western Pacific and include the largest public higher education system in the US, serving over 2 million students, and one of the nation's smallest colleges, with 26 students. ACCJC's ***Partners in Excellence Conference*** will return next year, with the two-day event taking place **November 17-18, 2026**, at the Riverside Convention Center in Riverside, California!

The ***2026 ACCJC Partners in Excellence Conference*** will feature regional and national visionaries in higher education, and will bring together a large and diverse group of people in the education sector including college administrators, faculty, program directors, professional development leaders, institutional researchers, student services staff and planners, and trustees. This will be an excellent opportunity to showcase your services, technologies, or products in an environment designed to give you the opportunity to meet with key decision-makers who are in a position to accelerate your growth or mission within the education community.

For silver level and above, exhibit tables (6'x3') will be available in the foyer where registration, breakfast, and snack breaks will take place. **There are a limited number of sponsorships, so please sign up early. Sponsorships are available on a first-come, first-served basis.**
