We are going to share how Coastline's response to federal program review facilitated innovation, change, and advancement.

The federal program review was an eye-opening experience.

Coastline was also in a technology transition which fostered opportunities to reimagine the online student learning experience.

Coastline adopted, adapted, and developed practices to support continually faculty professional learning for online instruction.

The indicators of success
are reflected in

Background Information

2019 Federal Negotiated Rulemaking

- Change in definition of RSI
- Began to incorporate into training in 2020
- Began to incorporate into review rubric drafts in 2020

ACCJC Webinar on Changing Federal Regulations, November 2020

- Advisable to institute a definition of RSI in alignment with federal definition
- Need for a system to ensure RSI in DE classes; DE Class Review Process may satisfy this need

RSI: Definition & Communication

Kapi'olani CC Definition of RSI

- Institutional definition
 - Created in collaboration with Faculty Senate DE Committee
 - Aligned with federal DOE definition
 - Ratified by Faculty Senate and Administration in April 2021
 - Incorporated into training & review rubrics
 - Disseminated through campus communication channels
- 

DE Class Review / Coaching Process

- Passed Faculty Senate and Administration (for pilot) in Spring 2020; implementation stalled due to budget crisis & COVID
- HEERF offered opportunity to implement at needed scale
- 400+ classes will be reviewed in AY 2021-2022
- 2 Head Coaches & 22 Coaches, trained & released from a class
- 2 rubrics ([BaRe](#) & [CoRe](#)); faculty choose which to apply; confidential
- Form for compliances check feeds into spreadsheets for DCs, Deans, VCAA, and Chancellor decision-making
- Post-coaching participant survey
- [DE Class Coaching Website](#)

The Value of Push-back

While Ratifying the DE Class Review Process

- Year-long process
- Collaboration with Faculty Senate DE Committee
- Resistance from the Faculty Senate Professional Rights & Responsibilities Committee
- Both collaborations resulted in a better process outline

During 2nd Semester of Implementation

- 2nd semester: teachers who went online during COVID
- Centered in FS PRR Committee
- Resulting in important adjustments to process & rubrics

Consistent Response When Adjustments Are Needed

DE Team

- Check-in for easy fixes
- For Digital Accessibility: self-paced training, Applying DA training, DA Aides
- For RSI: training, mentoring
- Recommended response

Decision-makers

- Plans to meet with leadership team to encourage consistent response protocols if exceptions are needed
- Protocols may vary depending on compliance item

Moving Forward

- All new DE classes will be coached in their second semester
 - Coaches may conduct a DE Class Coaching Session in place of regular peer evaluation duties
 - Further coordination needed about how this process fits with regular peer evaluation
 - Opportunity to welcome new DE teachers and to nurture our DE culture of mutual support
- 
- The bottom of the slide features several overlapping, wavy lines in shades of blue and white, creating a decorative, flowing effect across the width of the image.

Actions: Improve the ways we assess needs; Offer targeted synchronous & asynchronous training for employees; Establish monthly benchmarks; Enhance online learning support for students; Evaluate and streamline existing practices; Consistently communicate plans and outcomes

THE E-E-E PROCESS WORKED

“The Team reviewed courses offered online during the spring 2021 semester and observed a significant improvement in the general quality of instruction occurring online and specific attention to regular and effective contact. Classes had substantial interaction between both professor and students, and between students.

The College also embedded student services and instructional support into Canvas, so that students can access easily the MVC Library, Online Student Readiness Tutorials, NetTutor, Wellness Central, and others.

The improvement observed after the visit is notable and it is impressive that the college has carried out their work with institutional sustainability as a strategic priority.”
