Dear President Murphy:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 6-8, 2018, reviewed the Follow-Up Report and related evidentiary materials submitted by De Anza College. The Commission also considered the External Evaluation Team Follow-Up Report prepared by the follow-up team that visited the institution on April 26, 2018. The purpose of this review was to determine whether the College has appropriately responded to the issues as identified by the peer review team at the time of the last visit and as expressed in the Commission's Action Letter of January 26, 2018 and whether the College has demonstrated compliance with the related Standards.

Upon consideration of the information noted above, the Commission acted to **Reaffirm Accreditation for remainder of the cycle**. The Commission finds that De Anza College has addressed the compliance recommendations 1, 2, 3, corrected deficiencies, and meets Standards I.B.1, I.B.2, I.B.4, I.B.5, I.C.1-3, II.A.1, II.A.2, II.A.3, II.B.3, II.C.2.

The next report from the College will be the Midterm Report<sup>1</sup> due on October 15, 2021. The institution's next comprehensive review will occur in the fall term of 2024.

The Commission requires the College to disseminate the Follow-Up Report, the Team Report, and this letter within the institution, including by posting them on the College's website.

On behalf of the Commission, I wish to express appreciation for the diligent work and thoughtful reflection that De Anza College undertook to respond to these requirements. These efforts confirm that peer review can well serve the multiple constituencies of higher education by both ensuring and encouraging institutional quality and effectiveness.

Dr. Brian Murphy, President  
De Anza College  
21250 Stevens Creek Boulevard  
Cupertino, CA 95014

Dear President Murphy:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 10-12, 2018, reviewed the Institutional Self-Evaluation Report (ISER) and evidentiary materials submitted by DeAnza College. The Commission also considered the External Evaluation Team Report (Team Report) prepared by the peer review team that conducted its onsite visit to the College Monday, October 9 - Thursday, October 12, 2017. The Commission considered the written response to the evaluation team report that you submitted prior to the Commission meeting, and found this additional perspective to be helpful.

The purpose of this review was to determine whether the College continues to meet ACCJC's Eligibility Requirements, Commission Policies, and Accreditation Standards (hereinafter, the Standards). Upon consideration of the written and oral information noted above, the Commission acted to **Reaffirm Accreditation for 18 months and require a follow-up report due no later than March 1, 2019**, followed by a visit from a peer review team.

#### Compliance Requirements

The Commission also determined that the College must demonstrate compliance with the following Standards, as addressed in the College recommendations. This demonstration must be addressed in the required Follow-Up Report.

1. **Standards I.B.1, I.B.2., I.B.4, I.B.5, I.C.1 – 3, II.A.1 – 3, II.B.3, II.C.2 (College Recommendation 1):** In order to meet the Standard, the College should regularly assess all course, program, and institution-level SLOs and report the findings of articulated learning outcomes and ensure the College documents the use of the assessment of these outcomes for improvement and planning.
2. **Standards II.A.2, II.A.3 (College Recommendation 2):** In order to meet the Standard, the College should ensure that in every class section students receive a course syllabus that includes learning outcomes from the institutions officially approved course outline.
3. **Standard II.A.1, Commission Policy on Distance and Correspondence Education (College Recommendation 3):** In order to meet the Standard and comply with federal regulations in distance education courses as defined in CFR §602.3, the College should implement processes and structures to ensure regular and substantive interaction with the instructor and initiated by the instructor.

In accordance with federal regulations, compliance requirements must be addressed and the institution must demonstrate that it aligns with Standards within two years<sup>1</sup>.

#### Recommendations for Improving Institutional Effectiveness

The Team Report noted College Recommendations 4 and 5 for improving institutional effectiveness. These recommendations do not identify current areas of deficiency in institutional practice but, consistent with its mission to foster continuous improvement through the peer review process, the Commission encourages institutions to give serious consideration to the advice contained in the peer reviewers' recommendations. The Commission anticipates that you will bring them and the team's full report to the attention of your institution for serious consideration. In the Midterm Report, the College will include actions taken in response to the peer review team's improvement recommendations.

#### Next Steps

The Team Report provides details of the peer review team's findings with regard to the College's work to meet Standards. The guidance and recommendations contained in the Report represent the best advice of the peer review team at the time of the visit but may not describe all that is necessary for the college to improve or come into compliance. A final copy of the team report is attached.

The Commission requires that you disseminate the ISER, the Team Report, and this letter to those who were signatories of the ISER and that you make these documents available to all campus constituencies and the public by placing copies on the College website. Please note that in response to public interest in accreditation, the Commission requires institutions to post current accreditation information on a Web page no more than one click from the institution's home page. In keeping with ACCJC policy, the Commission action will also be posted on the ACCJC website within 30 days of the date of the Commission's action.

The College's Midterm Report<sup>2</sup> will be due on October 15, 2021. The institution's next comprehensive review will occur in the fall term of 2024.

On behalf of the Commission, I wish to express appreciation for the diligent work and thoughtful reflection that DeAnza College undertook to prepare for this evaluation. These efforts confirm that peer review can well serve the multiple constituencies of higher education by both ensuring and encouraging institutional quality and effectiveness.
