Dear Dr. Pagotto:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting June 10-12, 2020, reviewed the Follow-Up Report and related evidentiary materials submitted by Kapi'olani Community College. The Commission also considered the Peer Review Team Follow-Up Report prepared by the follow-up team that visited the institution on April 6, 2020. The purpose of this review was to determine whether the College has appropriately responded to the issues as identified by the peer review team at the time of the last visit and as expressed in the Commission's Action Letter of January 25, 2019, and whether the College has demonstrated compliance with the related Standards.

Upon consideration of the information noted above, the Commission acted to **Reaffirm Accreditation for the remainder of the cycle**. The Commission finds that Kapi'olani Community College has addressed the compliance requirements, corrected deficiencies, and meets Standards I.B.2, I.B.4, I.B.5 I.B.7, I.B.8, IV.A.7. The next report from the College will be the Midterm Report¹ due on October 15, 2022. The institution's next comprehensive review will occur in the fall term of 2025.

The Commission requires the College to disseminate the Follow-Up Report, the Team Report, and this letter within the institution, including by posting them on the College's website.

On behalf of the Commission, we wish to express appreciation for the diligent work and thoughtful reflection that Kapi'olani Community College undertook to respond to these requirements. These efforts confirm that peer review can well serve the multiple constituencies of higher education by both ensuring and encouraging institutional quality and effectiveness.

¹ Institutions preparing and submitting Midterm Reports, Follow-up Reports, and Special Reports to the Commission should review *Guidelines for the Preparing Institutional Reports to the Commission*, found on the ACCJC website at <https://accjc.org/publications/>.

Honolulu, HI 96816

Dear Chancellor Pagotto:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting January 9-11, 2019, reviewed the Institutional Self Evaluation Report (ISER) and evidentiary materials submitted by Kapi'olani Community College. The Commission also considered the External Evaluation Team Report (Team Report) prepared by the peer review team that conducted its onsite visit to the College October 15-18, 2018. The Commission considered your spoken testimony and that of Ms. Joanne Whitaker, Accreditation Liaison Officer, and Dr. Candy Branson, Faculty Senate President. The Commission found these additional perspectives to be helpful.

The purpose of this review was to determine whether the College continues to meet ACCJC's Eligibility Requirements, Commission Policies, and Accreditation Standards (hereinafter, the Standards). Upon consideration of the written and oral information noted above, the Commission acted to **Reaffirm Accreditation for 18 months and require a Follow-Up Report, due no later than March 2, 2020**, followed by a visit from a peer review team.

(II.C.1, II.C.5)

College Commendation 3

The Team commends the College for its design of the Kapi'olani Engagement, Learning, and Achievement (KELA) model, an exemplary structure that incorporates student engagement throughout the system of institutional effectiveness measures. (IV.A.1)

College Commendation 4

The Team commends the Chancellor for creating opportunities for employees to engage in meaningful, respectful, and effective dialogue regarding the College's operations, goals, and plans. (IV.B.6)

(IV.D.5)

Compliance Requirements

The Commission also determined that the College must demonstrate compliance with the following Standards, as identified in the College recommendations. This demonstration must be addressed in the required Follow-Up Report.

1. **Standards I.B.7, I.B.8, IV.A.7 (College Recommendation 1):**

In order to meet the Standards, the Team recommends that the College regularly evaluate its institutional plans and governance and decision-making policies, procedures, and processes to ensure their effectiveness. Further, the Team recommends that the results of evaluations be widely communicated across the institution and used as the basis for making improvements.

2. **Standards I.B.2, I.B.4, I.B.5 (College Recommendation 2):**

In order to meet the Standards, the Team recommends that the College analyze and document the results of learning outcomes assessment across all disciplines and programs, and integrate this analysis and documentation into program review and institutional planning processes on a regular and consistent cycle. Further, the Team recommends that the College use the results of this analysis and documentation to make improvements in student learning at the course, program, and institutional levels.

In accordance with federal regulations, compliance requirements must be addressed and the institution must demonstrate that it aligns with Standards within two years¹.

Recommendations for Improving Institutional Effectiveness

The Team Report noted System Recommendation 1 for improving institutional effectiveness. This recommendation does not identify current areas of deficiency in institutional practice, but consistent with its mission to foster continuous improvement through the peer review process, the Commission encourages institutions to give serious consideration to the advice contained in the peer reviewers' recommendations. The Commission anticipates that you will bring them and the team's full report to the attention of your institution for serious consideration. In the Midterm Report, the College will include actions taken in response to the peer review team's improvement recommendations.

Next Steps

The Team Report provides details of the peer review team's findings. The guidance and recommendations contained in the Report represent the best advice of the peer review team at the time of the visit but may not describe all that is necessary for the college to improve or to come into compliance. A final copy of the Team Report is attached.

The Commission requires that you disseminate the ISER, the Team Report, and this letter to those who were signatories of the ISER and that you make these documents available to all campus constituencies and the public by placing copies on the College website. Please note that in response to public interest in accreditation, the Commission requires institutions to post current accreditation information on a Web page no more than one click from the institution's home page. In keeping with ACCJC policy, the Commission action will also be posted on the ACCJC website within 30 days of the date of the Commission's action.

On behalf of the Commission, I wish to express appreciation for the diligent work and thoughtful reflection that Kapi'olani Community College undertook to prepare for this evaluation. These efforts confirm that peer review can well serve the multiple constituencies of higher education by both ensuring and encouraging institutional quality and effectiveness.
