**Subject:** Commission Nominating Committee 2022 - 2023

In accordance with the bylaws of the Accrediting Commission for Community and Junior Colleges (ACCJC), I am happy to share with you the members of the Nominating Committee for 2022-2023.

The role of the Nominating Committee is to consider the information provided by Commission applicants and to prepare a slate of candidates each year that best reflects the criteria stated in the ACCJC Bylaws. Considering the composition of the Commission as a whole, the Committee's decision criteria include ensuring a range of competencies, representation of institutional types and geographical locations, compliance with federal requirements (such as for public members), membership diversity, and broad experience within the region. The Nominating Committee is also responsible for appointing the appeals hearing panel pool as described in the *Policy on Institutional Appeals*.

Thank you to all of the members of our community who have nominated a member of the Committee, and to all of you who support our strong peer-review system.
