Subject: ACCJC Strategic Plan 2025-2030 – Survey to the Field

ACCJC is undergoing the creation of a 2030 Strategic Plan. As part of that process, we are seeking the feedback of our member institutions, stakeholders, and the public. Our hope is to engage with faculty, staff, students, administrators, and the communities that they serve to chart a path forward for our work in promoting student success.

ACCJC's current [Strategic Plan](#) offers three key strategies and six primary objectives.

Key Strategies

Strategy 1: Communicate and collaborate to advance the mission of ACCJC

Strategy 2: Foster institutional innovation

Strategy 3: Lead advocacy efforts on accreditation

Primary Objectives

Objective 1: Support institutional efforts to increase student achievement

Objective 2: Refine the comprehensive review process

Objective 3: Develop a new accreditation standards framework

Objective 4: Nurture ongoing collaborations and expand partnerships

Objective 5: Strengthen ACCJC infrastructure and capacity

Objective 6: Increase opportunities for two-way communication with member institutions

ACCJC invites participation in an online survey to gather stakeholder feedback. Additionally, we have scheduled a series of town hall listening sessions for early 2024. Staff and Commissioners will consider the feedback before drafting and adopting the 2030 ACCJC Strategic Plan in July 2024. Please take a moment to complete the open-ended survey linked below and register to attend a listening session. Thank you in advance for your contributions to ACCJC and the peer review process.
